BA Graphic Design
Elisava Barcelona, 2011 – 2015

PROFILE

Product designer working end to end, from research through to shipped interface. Ten years across fintech and healthcare.

EXPERIENCE

Lead Product Designer — Vera Health

Barcelona · Feb 2021 – Present

- Redesigned the patient intake flow, reducing drop-off from 41% to 23% over two releases.
- Built and maintained the design system now used by 6 product squads.
- Ran 40 usability sessions with clinicians, turning findings into a prioritised backlog the team actually shipped.

Product Designer — Tessera Bank

Madrid · Mar 2017 – Jan 2021

- Designed the mobile onboarding that took account setup from 11 minutes to under 4.
- Introduced accessibility standards that brought the app to WCAG AA across all primary flows.
